

## Liver Wellness Secure Mail

We are pleased to announce that we have recently implemented a new secure mail platform, in partnership with Wizuda, to ensure that patients' medical information is securely maintained when communicated electronically.

We would like to explain here how patients of Liver Wellness will receive their FibroScan Report via email, using the secure mail platform.

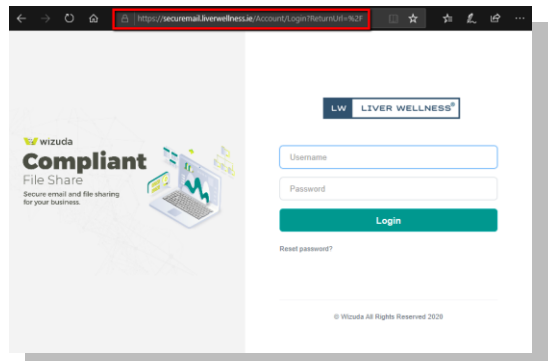

When your Report is available, Liver Wellness will send an email to the email address provided by you. The email will contain the following:

The email will include a link to the Liver Wellness Secure Mail Portal (<https://securemail.liverwellness.ie>)  
The sender will be [noreply@liverwellness.ie](mailto:noreply@liverwellness.ie).

Please click on “Read Message” to access the Secure Mail Portal and Message.

The next screen you will see will be:

To login to the Secure Mail Portal, you will need to provide a username and password and then click “Login”.

Once logged in, you will be able to view and download your FibroScan Report.

The login details you provide will enable you to view your secure mail now and any future secure mails that you receive from Liver Wellness.

If you have any queries on the above, please don't hesitate to contact us.

Best regards  
The Liver Wellness Team
